LEGAL NOTICES AND COMPLIANCE

CATALOG DISCLAIMER

The provisions of this publication are not to be regarded as the irrevocable terms of a contract between the student and Southwestern Christian University. Changes are affected from time to time in admission requirements, academic requirements, general regulations, tuition, fees, financial aid and scholarship policies. A curriculum or graduation requirement, when altered, is not made retroactive unless the alteration is to the student's advantage and/or can be accommodated within the span of years normally required for graduation.

For information on educational expenses, student life, or financial aid, students should contact their advisors or the respective administrative offices. Information on current tuition and fees is published on the SCU website and/or in the student handbook.

STATEMENT OF NONDISCRIMINATION

Southwestern Christian University does not discriminate on the basis of race, sex, age, color, national or ethnic origin, marital status, or disability in the recruitment, admission, and treatment of students or access to university programs or activities including the operation of all university programs, activities, services and employment. SCU has designated a Title IX Coordinator to handle inquiries regarding nondiscrimination policies including Title IX, Section 504 of the Rehabilitation Act of 1973, and Age Discrimination. See Title IX of the Education Act of 1972 for contact information.

FREEDOM OF INFORMATION

With certain exceptions provided by law, Southwestern Christian University cannot release information concerning students to prospective employers, government agencies, credit bureaus, etc., without the written consent of the student. Students and alumni applying for jobs, credit, graduate department, etc., can expedite their applications by providing the university with written permission to release the specific records, and to which parties the releases should be made.

The University does not release information to any party, including the student, that does not originate with the University (i.e. high school transcripts, ACT/SAT test scores, medical records, etc.)

ANNUAL FERPA NOTICE TO STUDENTS

Southwestern Christian University informs students annually of the Family Educational Rights and Privacy Act of 1974, as amended (FERPA). This act was designed to protect the privacy of education records and afford students certain rights with respect to accessing their education records. These rights include:

Inspect and Review. Students have the right to inspect and review education records within 45 days of the day the university receives a request for access. Students should submit a written and signed request to the Registrar or other appropriate university official identifying specific records the student intends to review. The university official will make arrangements for access and notify the student of the location and time where the records may be inspected. If the university official to whom the request was submitted does not maintain the records in question, that official will direct the student to the appropriate official.

Request Amendment. Students have the right to request an amendment to their own educational records if they believe their records are inaccurate, misleading, or otherwise in violation of the student's rights under FERPA. An amendment request must be submitted in writing to the university official responsible for maintaining the record in question. The written request should clearly identify the part of the record the student wishes to amend and specify why the record is inaccurate or misleading. If the university chooses not to amend the record, the university official will notify the student in writing of the decision and advise the student of any appeals process that might be available.

Consent to Disclosure. Students have the right to consent to disclosures of personally identifiable information contained in their own educational records not permitted under FERPA guidelines to be released without the student's consent. FERPA allows disclosure without consent including, but not limited to:

- a. School officials with a legitimate educational interest as defined by FERPA
- b. School officials or lending institutions in connection with financial aid for which the student has applied or which the student has received if the information is necessary determining eligibility, amount, conditions for the aid or enforcing the terms and conditions of the aid
- c. Organizations conducting studies for or on behalf of educational institutions. Student records will note when such disclosures have occurred
- d. Accrediting organizations
- e. Parents of dependent students as verified under Internal Revenue Code 1986, Section 152 (NOTE: Appropriate tax documentation must be provided by the parents.)
- f. Parents of students under the age of 21 who have violated university policies related to alcohol or controlled substances
- g. Final disciplinary proceedings against a student who is an alleged perpetrator of a violent crime (18 U.S.C. § 16) or non-forcible sex offense regardless of whether the violation was proven under the university's rules or policies
- h. Persons whose knowledge is necessary to protect the health and safety of the student or other individuals where there is an articulable and significant threat to the health and safety of a student or other individuals
- i. Legal representatives with a lawfully issued subpoena or court order
- j. Information deemed as directory information unless the student has requested in writing within 14 days of enrollment at SCU that directory information be held from disclosure (SCU directory information that may be disclosed by the university for any purpose at its discretion includes name, classification, major and degree programs, home and local addresses, e-mail address, all phone numbers, previous institutions attended, dates of attendance, full-time or part-time status, honors and awards, degree/s conferred including dates, religious affiliation, participation in official university athletic and music programs, physical factors such as height and weight, photograph, and birth information such as date and place.)

File a Complaint. Students have the right to file a complaint at the following address concerning alleged failures by the university to comply with the requirements of FERPA. Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue, SW, Washington, DC 20202-4605

Students with questions about FERPA should contact the Registrar's Office.

STUDENT RIGHT-TO-KNOW ACT

The Student Right-to-Know Act, passed by Congress in 1990, requires institutions eligible for Title IV funding, under the Higher Education Act of 1965, to calculate completion or graduation rates of certificate- or

degree-seeking, full-time students entering that institution, and to disclose these rates to current and prospective students. Every institution that participates in any Title IV program and is attended by students receiving athletically-related student aid is required to disclose graduation/completion rates of all students as well as students receiving athletically-related student aid by race/ethnicity, gender and by sport, and the average completion or graduation rate for the four most recent years, to parents, coaches, and potential student athletes. Information about these statistics and data can be found at <https://swcu.edu/about/consumer-information/579> and in the student handbook.

UNIVERSITY HISTORY

Southwestern Christian University was founded in the fall of 1946 through the vision of Dr. R. O. Corvin, C. H. Williams and others including Rev. Oral Roberts. Established as Southwestern Bible College, its goals were to establish an educational facility and to train people for leadership in the ministry. Located on the outskirts of Oklahoma City in the "Abe Hale" nightclub, fulfilling its original purpose, the University grew to a bustling junior college campus during the 1960s and 1970s.

In the 1960s, the student body and studies expanded as various junior college programs were developed. The junior college in 1964 was accredited by the Oklahoma State Regents for Higher Education. In 1973, the junior college received accreditation by North Central Association of Colleges and Schools (now The Higher Learning Commission). SCU was approved in 1979 by North Central as a four-year baccalaureate level degree-granting college in the field of religion. In 1981, the University moved to its current location in Bethany, Oklahoma and the name changed to Southwestern College of Christian Ministries. After receiving approval from the Higher Learning Commission, the program offerings were expanded in 1992 to include a Master of Ministry degree.

On October 26, 2001 the name changed again to Southwestern Christian University, which more adequately defined our vision. "Southwestern" relates to our heritage and past; "Christian" reflects our heart, purpose and principle; and "University" focuses on our heading and progress. In 2012, permission was granted for the university to expand its graduate programs to any divinity related program. Southwestern Christian University remains dedicated to educating, equipping and empowering students to be leaders in their chosen fields who impact their spheres of influence with the Gospel of Jesus Christ through the power of the Holy Spirit.

OUR BELIEFS

Throughout its history, SCU has sought to serve the Kingdom of God by offering educational programs that integrate Christian faith with learning. The University has urged Christian unity among all Christian denominations in a commitment to the basic doctrines of historic and orthodox Christianity. At the same time, SCU feels it has a theological contribution to higher education that is unique to the heritage of its sponsoring denomination – the International Pentecostal Holiness Church (IPHC). Therefore, SCU adheres to the

foundational beliefs of the IPHC, specifically, the Apostles' Creed and the IPHC's 14 articles of faith that can be found on the IPHC website at <http://iphc.org/beliefs>.

THE SCU STUDENT

THE SCU LIFESTYLE

SCU accepts any qualified student who fits the university's mission, is a Christian, and/or is willing to accept Jesus Christ as an example of a servant-leader.

Students are welcome regardless of creed, denomination, race, sex, color, nationality or disability in compliance with Title VI of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972 (Higher Education Act). This provision includes but is not limited to admission, employment, financial aid and educational services. Enrollment at SCU assumes, however, that the student realizes personal preferences may need to be modified for the best interests of the larger group.

Attendance in this University is a privilege granted to the student and not a right of the student. That privilege can be withdrawn through the established disciplinary process of the University to safeguard its ideals of scholarship or the moral atmosphere assumed by this lifestyle. Therefore, the student's enrollment at SCU constitutes a commitment to accept the standards of this lifestyle.

SCU LIFESTYLE COVENANT

Since its inception in 1946, SCU has been an educational institution founded in the holiness, Pentecostal, and charismatic traditions committed to the transformation of students. The University is dedicated to providing a Christ-centered education that will promote the growth of the whole person. The University is a Christian institution, and it maintains a clear reliance upon a strong campus community. Clear expectations help the members of the community live in unity.

As part of the registration process, the student will sign the SCU Lifestyle Covenant. Failure to sign the covenant is grounds for dismissal from SCU. The university believes that, as Jesus Christ becomes the center of the student's life, the student will commit to a lifestyle that cultivates spiritual, ethical, social, physical and academic growth.

The SCU Lifestyle Covenant includes rules and consequences for students living in SCU housing and community principles for all SCU students, whether the student lives on campus or not. The SCU Lifestyle Covenant can be found in the SCU Student Handbook or on our website at

The center collects, organizes and preserves materials that show the origin, history, and theology of the denomination. The collection allows restricted use of print media, photographs, videos, CD-ROMS, etc., in the

Reading Room. Selected digital copies and online reference assistance are available via the Internet (www.iphc.org).

HOUSING

Housing is not provided for graduate students due to the formatting of class offerings. Graduate Studies can provide a list of nearby hotels that offer special rates to students.

TEXTBOOKS

Required textbooks and other resource materials for the courses in the Department of Graduate Studies are available through the SCU Book Store. A link is available on the SCU webpage or students may access the site at <https://swcu.edu/academics/textbooks>.

ADMISSION TO GRADUATE PROGRAMS

GRADUATE STUDIES ADMISSION

Southwestern Christian University Department of Graduate Studies admits students who are committed to Christ, Christian Education, and Christian Ministry. Their lives are to demonstrate consistency with the Word of God and a pursuit of its principles. Students must be involved in active Christian service, and capable of rigorous academic discipline.

Enrollment is open to qualified students who, without distinction of race, sex, disability, or denomination, desire to undertake serious academic and professional studies in Christian theology and ministries.

The admissions committee will review all applicants' information files and program/course selection and make a recommendation to the dean for approval.

APPLICANTS

An applicant must fulfill the following requirements in order to be accepted into the Department of Graduate Studies:

1. Submit an application (with required recommendations), along with the non-refundable application fee of \$50 to the Office of Graduate Studies;
2. Hold a four-year undergraduate degree from an accredited institution, and have an official, (certified with degrees posted in a sealed envelope mailed or hand delivered) transcript (not student copy) of all college academic records sent to the Department of Graduate Studies office;
3. Achieve a 2.5 GPA in the applicant's undergraduate program;
4. Be actively involved in a local church while enrolled. This is essential for theology and Christian ministry students since a feature of the program is the application and integration of the concepts being studied into a church/Christian-based ministry;
5. Proficiency in the English language with a score of the Test of English as a Foreign Language (TOEFL) must be at least 550 PBT or 79 iBT.

PROVISIONAL ACCEPTANCE

Applicants who cannot meet all of the above requirements may, by action of the dean of the Department of Graduate studies and the Graduate Council, be accepted on a provisional basis but will not be enrolled as a student until all requirements are met. The applicant will be informed in writing of the issues of provisional acceptance and will not be considered accepted into a graduate program until provisional issues are cleared.

PROBATIONARY ENROLLMENT

A student whose undergraduate GPA is 2.0 but less than 2.5 may be considered by the Graduate Council for probationary acceptance and enrollment in a graduate program. The student's probation will be considered for removal at the end of the first semester if they have attained the minimum grade point average of 3.00.

CONCURRENT ENROLLMENT

Concurrent enrollment is designed to allow a student to enroll in another institution for up to six credit hours of coursework which is consistent with the student's approved ministry objectives. Work on consignment must have prior approval of the dean of the Department of Graduate Studies. Total concurrent enrollment graduate course credits accepted by transfer and/or on consignment shall not exceed six (6) credit hours.

Financial aid refunds may be used for concurrent enrollment depending on the refund amount. However, a student may not receive financial aid at two institutions at one time.

INTERNATIONAL STUDENTS

The SCU Department of Graduate Studies follows the regulations of the Immigration and Naturalization Service of the United States Department of Justice. Applicants will be admitted on the basis of an overall judgment as to their ability to carry on a program of graduate studies in the English language.

Any international student who is interested in attending Southwestern Christian University will be issued an I-20 from the Admissions Office upon acceptance to the University.

In order to be accepted, an international student must complete the following admission procedures.

- The Application must be completed in the English language and submitted to the Admissions Office. All applicable items on the application must be completed.
- Prior to issuing an I-20, a \$200.00 application fee will be added to international students' billing statement in the initial semester of enrollment to cover the costs of processing. This fee is non-refundable.
- If English is not the applicant's first language, the applicant must provide evidence of proficiency in spoken and written English. A score of the Test of English as a Foreign Language (TOEFL) must be at least 525 PBT or 196 CBT or 59 iBT (or equivalent IELTS score).
- Applicants must submit official high school transcripts and, if applicable, all official transcripts of previous college work. These transcripts must be translated into English, and college coursework be accompanied by a "basic, course-by-course" evaluation from World Education Services (WES) or other international transcript evaluation service provider. This evaluation will be done at the cost of the student.
- Applicants must demonstrate the ability to pay the cost of a college education at Southwestern Christian University. The CERTIFICATE OF FINANCIAL RESOURCES (CFR) section of the Estimated Cost Sheet must be submitted with the application to the International Student Advisor in the admissions office.
- If dependents are to accompany the student to the United States, it must be stated on the application, and a guarantee must be given for the round-trip transportation and financial support for dependents throughout the time of enrollment;
- If the international student is a member of the International Pentecostal Holiness Church, a written recommendation is required from the homeland missionary or field representative for the applicant's country of residence;
- Obtain visa at a United States Embassy;
- Students are not to arrive in the United States before being granted final acceptance by the Department of Graduate Studies and the Form I-20 has been released. Applicants arriving without means of support and a student visa may be deported and may not be eligible to return to the United States.
- Students are required to carry medical insurance for themselves and their families while they are in the United States at their own expense while enrolled in SCU. Automobile insurance is also required if a vehicle is driven or owned by a student.
- Upon arriving in the United States, the student must report directly to the Department of Graduate Studies Office to provide copies of Visa, I-94 (showing port of entry, date of arrival to the United States, and F-1 status) and passport.
- If an International Student is transferring from another United States institution, copies of these documents and a transcript from the institution must be presented with the application for admission. The student must be in good standing with the previous institution and SEVIS in order to obtain a transfer. Once the transfer is done, a new I-20 will be created showing the student has been transferred to SCU.
- Any student found to be out of status must be reported to Customs and Immigration Services within 21 days.

NOTE: upon completion of all the admissions requirements, a letter of full acceptance will be sent. It is the student's responsibility to have all required Department of Immigration and Naturalization forms completed.

UNDERGRADUATES RECEIVING GRADUATE CREDIT

Undergraduate seniors at Southwestern Christian University and other approved accredited institutions which meet all the requirements for admission except completion of the baccalaureate degree may, with the approval of the dean, register for graduate level work during their senior year.

READMISSION

Students who are not enrolled in courses for two consecutive semesters are withdrawn from the program. In order to return, the student must reapply for admission.

Students who interrupt their studies at the University for two consecutive semesters before completing degree objectives will be subject to the requirements set forth in the catalog effective for the term the student returns. Students who exceed the statute of limitations must follow the provisions established under that policy for reactivation.

FINANCIAL INFORMATION

SCHEDULE OF CHARGES

Current tuition and fees are found on the Department of Graduate Studies website: www.swcu.edu.

PAYMENT OF FEES

SCU endeavors to keep the costs of an education as reasonable and realistic as possible. The expense of educating each student is well in excess of the amount the student contributes through fees. Gifts from the sponsoring denomination, alumni and friends help the student by providing the majority of the funds for a student's education. To help reduce costs, the University assists large numbers of students who qualify for scholarships, grants and/or loans. Current tuition and fees are included on the SCU website at www.swcu.edu.

All accounts must be settled by the end of each semester before a student can enroll for the next semester. All scholarship money will be applied as soon as eligibility is verified.

TUITION REFUNDS

For a tuition refund schedule, please refer to the SCU website at <https://swcu.edu/admissions/cost-attendance-net-price-calculator>

FINANCIAL AID POLICIES

FINANCIAL AID REFUNDS

Students receiving federal financial aid, other than college work study, who withdraw during the first full week of classes, are eligible for tuition refunds. However, a portion of this refund must be returned to the proper financial aid program. The amount to be returned is determined by federal regulations and is based on the college's refund policy outlined in the business policies. Students are responsible for notifying the financial aid office of any tuition refund they receive.

Students receiving federal financial aid, other than college work study, who withdraw from all classes after the first full week of classes, are not eligible for a tuition refund. However, they may have received a cash refund at the beginning of the semester for aid received in excess of their tuition to cover education-related expenses. This student is required to repay a portion of his cash refund to the college for repayment to the proper financial aid program. The amount to be repaid is determined by federal regulations. Students are responsible for notifying the financial aid office at the time of their withdrawal.

RETURN OF TITLE IV FUNDS POLICY (R2T4)

Title IV funds are awarded to a student under the assumption that he/she will attend school for the entire period for which the assistance is awarded. When a student withdraws from all his/her courses, for any reason including medical withdrawals, he/she may no longer be eligible for the full amount of Title IV funds that he/she was originally scheduled to receive.

If the student withdraws from all his courses prior to completing over 60% of a semester, he/she may be required to repay a portion of the federal financial aid that he/she received for that term. A pro rata schedule is used to determine the amount of federal student aid funds he/she will have earned at the time of the withdrawal. Federal aid includes Direct Student Loans (subsidized and unsubsidized), Parent Plus Loan and Federal Pell Grant.

The return of funds is based upon the concept that students earn their financial aid in proportion to the amount of time in which they are enrolled. Under this reasoning, a student who withdraws in the second week of classes has earned less of his/her financial aid than a student who withdraws in the seventh week. Once 60% of the semester is completed, a student is considered to have earned all of his financial aid and will not be required to return any funds.

The withdrawal date is:

- The date the student officially withdrew in writing with the Office of the Registrar
- The date the student was expelled/dismissed from the University
- The date the student died if the student passed away during the semester
- The student must inform the Office of Financial Aid in a timely fashion by email at finaid@swcu.edu of any withdrawal occurring during a semester

The Financial Aid Counselor (FAC) to which the student is assigned will determine the return of Title IV funds percentage by using the Federal R2T4 web tool. The Department endorses R2T4 on the Web as it effectuates the provisions of 20 U.S.C. 1091b, as implemented in 34 CFR 668.22, for the determination of the earned and unearned amounts of Title IV, HEA program funds when a student ceases to be enrolled from an institution prior to the planned completion date.

The R2T4 calculation is based on the amount of time completed divided by the total amount of time that was scheduled to be in the payment period or period of enrollment. Institutions must consistently use either a payment period or period of enrollment for calculating R2T4 on the Web. The following information is collected by your FAC: school calendar code (which maintains the term start and end dates and institutionally scheduled breaks of 5 or more consecutive days), net number of days in the payment period or period of enrollment, the number of days of an approved leave of absence (if you took one), the clock hours scheduled in the program, the clock hours you completed, whether the R2T4 calculation is based upon a payment period or period of enrollment, and the total number of clock hours or number of days in the payment period or period of enrollment.

The calculation report is printed, and all unearned funds are returned, based on the type of aid disbursed, in the following order:

- Private Loan
- Federal Unsubsidized Loan
- Federal Subsidized Loan
- Parent Plus Loan
- Pell Grants/Other gift aid

FINANCIAL AID COUNSELOR AND STUDENT RESPONSIBILITY

The FAC should:

1. Provide each student with the information given in this policy;
2. Identify students affected by this policy and completing the Return of Title IV Funds calculation using the R2T4 web tool;
3. Inform the student of the result of the Return of title IV Funds calculation and any balance owed to the University as a result of a required return of funds;

4. Return any unearned Title IV aid that is due to the Title IV programs and, if applicable, notify the borrower's holder of federal loan funds of the student's withdrawal date
5. Notify student and/or Plus borrower of eligibility for a Post-Withdrawal Disbursement, if applicable

The Student should:

1. Become familiar with the Return of Title IV Funds policy and how withdrawing from all courses affect eligibility for Title IV aid;
2. Resolve any outstanding balance owed to Southwestern Christian University resulting from a required return of unearned Title IV aid.

AWARDS

Financial Aid awards to students will be considered upon receipt of the following items:

- Application to the Institution
- Institutional Student Information Record (ISIR)
- Copy of Income Taxes, if required

Financial aid awards may be revised at any time due to changes in enrollment status, additional financial resources or revised information. The student is responsible for notifying the Financial Aid Office of any changes in his/her financial or academic status. In the event a student is over-awarded, whether by school or student error, the student must repay the over-award to the school so that it can be returned to the proper financial aid account.

SCHOLARSHIPS

The scholarships offered to Graduate students are considered Recruitment scholarships. A Scholarship Listing and the General Scholarship policies can be found on the SCU website at

<https://swcu.edu/admissions/financial-assistance/scholarships-and-discounts> and <https://swcu.edu/admissions/financial-assistance/scholarships-and-discounts/general-scholarship-policies>, respectively.

EAGLE MERIT SCHOLARSHIP

Renewable tuition grants for graduate students to receive the base-level renewable aid of \$1,000 (divided over two semesters), students must be enrolled full-time (9 credit hours) in a graduate program at SCU, in good standing with a GPA of at least 3.0, and remain involved in the ministry of a local church. Students will have opportunities to increase their aid up to \$1,000 per year at \$250 increments per semester through ministry, service or other experiences at Southwestern. The Eagle Merit Scholarship is awarded on a first come, first serve basis. Funding increments are awarded by any one or combination of initiatives such as tutoring, writing center assistance, research assistant, etc. A full list of available initiatives is available through the Office of Graduate Studies. Students who apply for this scholarship will first be approved for the scholarship by the graduate studies office. An initial interview and application for the specific responsibility must be completed before the student may begin accruing hours toward the scholarship.

EAGLE SCHOLAR FUND

Renewable tuition grants for graduate students who submit a publishable article in a peer reviewed journal or book. Students who apply to the Eagle Scholar Fund receive \$500 for each article submitted for publication in an approved journal. Students are eligible to receive funds upon review and approval of the article by the graduate studies office and subsequent submission for publication to the journal. Students who publish a book through an approved publisher are eligible to receive \$2,000 to be divided over two semesters. Students are eligible to receive funds upon the authentication of the book contract and verification of the manuscript submission. In addition to publication, students must be enrolled full-time (9 credit hours) and in good standing in the graduate studies program. Students must have a cumulative GPA of at least 3.25 AND remain involved in the ministry of a local church. This fund is available on a first come, first serve basis.

NECESSITY OF DEGREE PROGRAM

Students receiving financial aid (loans, grants or college work study) must be enrolled in a degree program at SCU and maintain, or exceed, the minimum grade point average.

REGISTRATION

REGISTRATION POLICIES

CHANGES IN REGISTRATION (ADD/DROP/WITHDRAW)

Students are permitted to make changes in their schedules according to the policies listed below. Changes will not become effective until the proper registration procedures have been followed and financial adjustments have been made in the Business Office. A fee will be charged for any classes dropped or added after the established drop/add deadlines. This fee must be paid before the change in registration is completed. The chief financial officer or chief academic officer may waive the fee under special circumstances. To drop/add or withdraw from a course, the proper drop/add/withdraw form must be completed and submitted to the Graduate Department office prior to the deadline for each.

NOTE: Any change in registration will likely impact financial aid and loans. Students should contact the Office of Financial Aid before making any changes in registration.

WITHDRAWAL FROM THE UNIVERSITY

If it becomes necessary for a student to withdraw from the University after the drop period and before the end of the semester, the student must complete a withdrawal form available at <http://swcu.edu/withdrawal>. The withdrawal is not complete until the documentation has been submitted. (See also Unofficial Withdrawal for Attendance).

ADDING CLASSES

A course may be added before the second class session of each course if the student is cleared by the Business Office.

DROPPING OR WITHDRAWING FROM A CLASS

Drop

Dropping from a class or classes can occur during the allowed drop period as indicated below. A refund will be given according to the established refund schedule published by the SCU Business Office. Dropping from a class will remove any evidence of the student's enrollment in the class(es). There will be no enrollment record on the student's transcript.

Students must notify the registrar's office in writing before the end of the drop period in order for the class(es) to be removed from the student's record. The refund policy can be viewed in two parts: (times reflected are per module):

1. Any time prior to attendance through 1st week class attendance**

Students who drop a class any time prior to the class start date through the first week will receive a 100% refund of tuition and fees for that class.

2. 2nd week class attendance**

Students who withdraw from a class after attending the second week will receive a 0% refund of tuition, books, and fees.

Students who withdraw from a class after attending the second week will receive a 0% refund of tuition, books, and fees.

Please be aware that dropping class(es) may affect your financial aid eligibility such as scholarships, loans and grants, resulting in an amount due to the University. Consult the Financial Aid and Business Offices before deciding to drop a class to be informed of the effects that dropping a class will have on your student bill.

**Please refer to the respective program's attendance policy.

Withdrawal

Withdrawing from a class or classes occurs after the allowed drop period through 60 percent of the class duration. The student's transcript will reflect a grade of "W" for a withdrawal which will not be calculated into the term or cumulative GPA. No refund will be given for a withdrawal; therefore, students will be responsible

for all costs associated with the class. Students may not withdraw from class/es after 60% of the class is completed unless the student is passing as confirmed with written documentation from the instructor to the Office of the Registrar.

Withdrawing before 60 percent of the semester has completed will reduce the student's enrollment status. Therefore, if the student is receiving scholarships requiring full-time enrollment, those scholarships will be lost. Additionally, full-time enrollment is required for campus housing; therefore, withdrawing before 60% of the semester has finished will result in the student being asked to leave campus. There is no tuition refund for withdrawing from classes.

Students must notify the registrar's office of the withdrawal in writing **before** 60 percent of the class is completed for a grade of "W" to reflect on the transcript. There are no refunds for withdrawals. Sixty percent of each type of class offering is listed below.

- semester-long: 10th Friday of the semester
- 6-day seminar: 4th day of class
- adult evening: 4th class session
- graduate: 4th class session
- online: 4th week of the class duration

TYPES OF DROP/WITHDRAWAL

Official Drop/Withdrawal

An official drop/withdrawal occurs when the student notifies the registrar in writing of drop/withdrawal from at least one class or from the University. Forms are available on the student portal and on the SCU Website. Communicating with an official of the University other than the registrar does not constitute an official drop/withdrawal. The registrar's office must receive documentation for the drop/withdrawal from the student in order for records to reflect the student's intentions accurately.

An official /drop withdrawal will be effective as of the date of the student's request. Retroactive official drop/withdrawal will not be permitted.

An official drop will remove the class/es from the student's record. There may be some charges associated with an official drop.

An official withdrawal will not relieve the student of financial obligations for the class/es associated with the withdrawal. The grade on the transcript for an official withdrawal will be "W."

Unofficial Drop/Withdrawal

An unofficial drop/withdrawal occurs when a student fails to officially withdraw/drop. There are several types of unofficial drop/withdrawal that have varying consequences. They are as follows:

Administrative Unofficial Drop/Withdrawal

An administrative unofficial drop/withdrawal may be requested by instructors and/or other University officials in the best interest of the student. The decision for administrative withdrawal will be made by the appropriate University senior administrator and communicated to the student in writing in a timely manner. For an administrative unofficial withdrawal, a "W" will be reflected on the student's transcript.

Possible reasons for administrative unofficial drop/withdrawal include but are not limited to the following:

- Failure to verify enrollment (make first semester payment)
- Student conduct infractions
- Emergency medical issues
- Improper registration in classes
- Financial hardship

Students will be responsible for whatever costs incurred as determined by the administration up to the point of the administrative decision.

Unofficial Withdrawal for Attendance

When a student fails to officially withdraw but stops attending class/es, the student will be considered unofficially withdrawn as of the last date of attendance but will remain enrolled in the class through the duration of the class. The grade on the transcript will reflect the final grade earned for the totality of the course work. Retroactive official withdrawal will not be permitted without administrative approval from the chief academic and financial officers.

"No Show" Unofficial Drop

If a student does not attend a class during the time period as defined below, the student will be automatically dropped from the class as a "no show." The student might be responsible for partial costs due to failure to officially drop. Attendance is defined as by the following parameters:

- Brick-and-mortar classes:
 - o semester-long: attending any class during first two weeks of the semester
 - o seminar: attending the class during any part of the first class session
 - o adult evening: attending the class during any part of the first class session
 - o graduate: attending the class during any part of the first class session
- Online classes: submitting a graded assignment during the first week of the class

Passive Withdrawal

A student who fails to enroll in continuous semesters without following official withdrawal/military leave of absence procedures will be considered unofficially withdrawn as of the last date of attendance. Students who passively withdraw must seek readmission for subsequent enrollment.

REGISTRATION APPEAL PROCESS

Students may appeal an add/drop/withdrawal policy following the procedure below:

1. Submit a written appeal to the Office of the Registrar, including supporting documentation for the reason for the appeal.
2. The registrar will consult with the appropriate senior administrator for a decision.
3. The decision will be communicated to the student by the senior administrator in writing in a reasonably timely manner.

EMERGENCY WITHDRAWAL

If a student cannot complete a course after attending a class due to an emergency situation (such as a death in the family, accident, or major illness), a "W" (Withdrawal) Refund is granted according to the drop/add/withdrawal policy covered above.

TRANSFER OF CREDIT

Graduate credit may be transferred from other accredited graduate institutions provided grades of "B" or above were earned. All transfer credit is evaluated by the Director of Graduate Studies and must fulfill the curriculum requirement of the Department of Graduate Studies. Transferred credit from such institutions shall not exceed six (6) credit hours. Each degree requires thirty (30) hours completed in the institution granting the degree.

MILITARY EXPERIENCE

Veterans who meet the requirements for admission will be allowed advanced standing to the extent that their experience in the armed forces is applicable to the regular curriculum they expect to follow in college. The Guide to the Evaluation of Educational Experience in the Armed Forces issued by the American Council on Education will be followed in evaluating the applicant's educational experiences for such advanced standing. A total of two hours of credit in physical education will be allowed for basic or boot camp training. Credit that is accepted for transfer on the transcript will reflect as credit through validation with a grade of "P."

Ordering Prior Military Training

All students are responsible for telling the Veteran's Affairs Certification Officer that he or she has registered for classes. Failure to do so will result in no certificate of enrollment sent to the Department of Veterans Affairs, which means students will not receive a monthly stipend, and Post 9/11 students will not have tuition and fees paid to Southwestern Christian University nor receive a book stipend.

Prior Training Requirement

Students receiving veterans' education benefits at Southwestern Christian University must have all prior military and civilian training sent to and evaluated by Southwestern Christian University before any certification can be sent to the Department of Veterans Affairs.

The Department of Veterans Affairs (DVA) defines prior credit as: The amount of credit allowed for previous education, training and experience; including military training and experience. Both the law and the regulations require schools to grant appropriate credit for prior training and experience. The current procedure provides for termination of benefits if the school does not furnish an evaluation of prior credit within two terms (38.U.S.C.3675(b)(2) and 3676(c)(4), and §21.4253(d)(3) and 21.4254(c)(4)). This is Public Law and without having military and civilian training evaluated, and declaring a degree and major, we can send no further certificate of enrollment to the DVA. It is the student's responsibility to request official transcripts from all colleges previously attended and have them sent to:

Southwestern Christian University ATTN: Registrar
7210 NW 39th Expressway
Bethany, OK 73008

Military Transcripts

Air Force (CCAF Transcripts) is handled as a regular transcript, mailed to:

Southwestern Christian University ATTN: Registrar
7210 NW 39th Expressway
Bethany, OK 73008

Degree plans

The VA requires that all students receiving veteran's benefits follow a degree plan. Before any request for education benefits can be sent to the VA, all students must declare a degree and major through advising and complete the Veteran's Prior Training Review. Classes taken by a student and used in the maximum credit hour appeal that are not part of the degree map will not be certified for benefits to the VA. There are exceptions for remedial and prerequisite classes.

MILITARY LEAVE OF ABSENCE POLICY

MILITARY LEAVE OF ABSENCE ELIGIBILITY

Only members of the U.S. military are eligible for leave of absence under this policy. Members of other countries' militaries are not eligible.

Unless notice is precluded by military necessity, students will be eligible for consideration for a military leave of absence after submitting a Leave of Absence Form to the SCU Office of the Registrar. If the student is unable to submit this form due to deployment time frames or security issues, an appropriate officer of the Armed Forces or an official of the Department of Defense may also notify the Office of the Registrar in writing (registrar@swcu.edu). Orders for military deployment or active duty service should accompany requests for a military leave of absence (scan and attach to email, or fax to 405-495-0078).

MILITARY LEAVE OF ABSENCE REGULATIONS

A military leave of absence allows U.S. military personnel who are students of SCU to be readmitted and resume studies in the same degree program in which they are enrolled at the time of the leave request, meaning they will not be responsible for completing new program requirements that may be implemented during the leave period.

Students granted a military leave of absence will be given a refund of tuition and fees paid during the term in which their studies are interrupted. If applicable, housing and meal plan refunds will be prorated for time remaining in the term. These refunds do not mean students will not owe the Department any money for the term, especially if the student took out loans to pay for their tuition and fees. Students requesting a military leave of absence from the University who received financial aid should contact the Office of Financial Aid to determine their financial responsibility to the University once financial aid monies are returned to the federal government.

Students returning from military leave of absence will have guaranteed enrollment for the term in which they return if the student is granted readmission under this policy.

MILITARY LEAVE OF ABSENCE READMISSION ELIGIBILITY

The cumulative length of the absence and all previous absences from the University for serving in the U.S. military cannot exceed four years, including the time the student spent actually performing military service and any recovery time for injuries sustained during military service.

Veterans seeking admission to a different program are not eligible for readmission under this policy unless the original program of study is no longer offered at the University. If the program is no longer offered, the student must enroll in the replacement program or a program that is in the same field of study as the original program.

Veterans who received a dishonorable or bad conduct discharge are not eligible for readmission under this policy.

MILITARY LEAVE OF ABSENCE READMISSION PROCEDURES

Students qualify for leave-of-absence readmission after a period of at least 90 consecutive days serving in voluntary or involuntary active duty in the United States Armed Forces (including service by a member of the National Guard or Reserve on active duty, active duty for training, or full-time National Guard duty under federal authority).

To be readmitted, students must submit an Admission Application (indicate "Readmission") through the Office of Admissions and a Leave of Absence Return form to the Office of the Registrar no later than the admission application deadline for the upcoming term. Forms are available online on the SCU website.

Documentation of military separation or discharge must accompany the Leave of Absence Return form (upload to form or fax, 405-495-0078). The registrar's office will notify the Office of Admissions of the student's intent to return under this policy.

TRANSCRIPT REQUESTS

See the SCU website at www.swcu.edu/academics/transcripts for information about how to request transcripts.

ACADEMICS

CURRICULUM REQUIREMENTS

STATUTE OF LIMITATIONS

Course work for a master's degree at SCU should be completed within four (4) years of the starting date of the first course as a graduate student. If a student's program extends beyond this limit, students will be required to make an application for reactivation in a graduate program; pay a fee of \$250; and will be under the current catalog at the time of reactivation. Students may be required to take extra courses to bring them in line with the current catalog at that time.

RESIDENCY REQUIREMENTS

A student may complete only 49% of all graduate course work through distance learning. This means that a student can take no more than five (5) courses in non-lecture, face-to-face formats such as online or by directed study. The rest of the 51% of courses must be taken on the main campus or an approved extension site.

SECOND MASTER'S DEGREE

Students who have earned a Master of Ministry degree at SCU may enroll in the Master of Arts program. They will be required to complete thirty (30) credit hours in the M.A. program. No courses are transferred from the M.Min. program into the M.A. degree program.

ACADEMIC POLICIES

ACADEMIC HONOR CODE

Personal integrity is presumed to be sufficient assurance that students complete their own work without unauthorized help. Students who are involved in forms of academic dishonesty are subject to the jurisdiction of the provost. Students who violate the Academic Honor Code may forfeit the privilege of continuing their studies at SCU.

The honor principle of the campus depends on the willingness of students, individually and collectively, to maintain and perpetuate standards of academic honesty. Each student accepts the responsibility of not only being honorable in academic work, but also supporting the principle of honesty as it applies to others.

Students are responsible for obtaining and understanding each of their instructors' policies related to the freedom they may exercise in collaborating with other students or using outside sources including their own work prepared and submitted for another course at SCU or any other educational venue. If a student does not obtain a clear definition of the application of the Academic Honor Code, the student must assume that the provost and appellate bodies will follow the strictest interpretation of the Academic Honor Code.

Honesty and integrity in the performance of academic assignments is expected of every student.

The following are included as violations of the Honor Code:

- Cheating on an exercise, test, problem or examination. Cheating includes the use of unauthorized aids, such as crib sheets, digital tools, the aid of another instructor on a take-home exam; copying from another student's work; soliciting, giving and/or receiving unauthorized aid orally or in writing (before, during or after the quiz/examination), in such a way as to gain or give an advantage over other students; or any similar action contrary to the principles of academic honesty.
- Plagiarism on an assigned paper, theme, report or other material submitted to meet course requirements. Plagiarism is defined as incorporating into one's own work the work of another without properly indicating that source. Included, but not limited to, are infractions of submitting for credit papers or reports written by someone other than the student, providing such a paper to a student, and

failure to indicate the source of ideas, expressions, phrases or sentences (lack of citations). This also includes the use of commercially prepared papers or texts.

- Non-reporting of suspected violations of the Honor Code.
- Actions designed to deceive a member of the faculty or a fellow student regarding principles contained in the Honor Code, such as securing assistance from a faculty member in another course when such assistance has been unauthorized
- Double Submissions of Work, prepared for another course, without specific prior authorization of the instructors in both courses.
- Falsification of results of study and research. Presenting material that is known to be false and/or fabricated.
- Infringing upon the right of others to fair and equal access to the library and classroom resources. Failure to sign for material and equipment taken from the library, classrooms and/or other college depositories of information and equipment. Abuse of library privileges by defacing resources, failing to check out materials, or return materials in a timely fashion.
- Actions or statements showing disrespect, contempt, or insolence for the institution's educational philosophy, mission, faculty, or administration.

Appeals of a decision by the provost regarding violations of the academic Honor Code shall be filed with the provost within 48 hours of receiving written notification of the case decision. The appeal must be in writing and shall state whether a) new information is to be presented or b) if the severity of the penalty is being appealed. Either the student or faculty member involved may appeal the decision.

The appeal shall be heard by a provost-appointed appellate body. If a majority of the appellate body is directly involved in the case, then the appeal shall be heard by the full-time faculty and those individuals who are full-time employees of the University and hold faculty status. Either party, including the provost, may appeal the decision of the appellate body.

The appeal will then be heard by the President's Cabinet. All decisions of the Cabinet shall be binding and final. Penalties for violation of the Honor Code may include, but not be limited to, suspension and/or dismissal from the institution.

ACADEMIC PROBATION

Review of student records will occur after each semester. The Department of Graduate Studies reserves the right to dismiss students whose academic progress is unsatisfactory. While a student may enter a master's program with an undergraduate 2.5 GPA, a minimum grade point average of 3.0 is required for graduation from graduate programs at SCU. Any student with a cumulative grade point average that falls below 3.0 at the end of any given semester will automatically be placed on academic probation.

ACADEMIC SUSPENSION

Students who have a GPA below 3.0 after two consecutive semesters will be suspended from SCU for one or more semesters. After the specified period of suspension, a student may be considered for re-admittance upon the student's demonstration of the ability to satisfactorily complete a graduate program.

STUDENT STATUS - FULL-TIME/PART-TIME

Students must enroll for a minimum of three classes or nine (9) semester hours to be considered full-time students. This is essential for the student to qualify for financial aid and/or scholarships, for which he/she may be eligible. Students enrolled in less than nine (9) hours are part-time students.

COURSE SUBSTITUTION

On rare occasions, it might become necessary to assist a student to complete a degree program by substituting a course. This can only be accomplished by the approval of the dean. A form will be submitted to the Office of

the Registrar as before the degree can be conferred.

CLASS ATTENDANCE

Class attendance is extremely important due to the accelerated nature of the graduate programs at SCU. If a student misses one night, 20 percent of the class time has been missed. Students who have missed or must miss a night of classes, 4.8 semester class sessions have been missed, and students are required to contact the professor of the course to determine action to be taken. Extra course work may be required at the discretion of the professor. Students cannot receive credit for any course if more than two class sessions (a total of eight hours equaling 9.6 semester class sessions) are missed.

If students cannot make the first hour, they should not miss the whole night session. Students' class hours attended will be recorded. Course credit will be lost if a student misses more than eight clock hours of class.

Any exceptions to these attendance policies will be determined by the dean if circumstances warrant such action.

GRADES AND GRADE POINT AVERAGES

The graduate program operates with the following grade point weights for each course:

- A—four grade points;
- B—three grade points;
- C—two grade points;
- D—no grade points;
- F—no grade points.

MINIMUM GRADE REQUIREMENTS

Students are required to maintain a 3.0 Grade Point Average (GPA) in order to graduate.

The minimum 3.0 cumulative GPA must be maintained to avoid academic probation. The minimum course grade for graduate studies is 3.0 (B). A student may earn one C in the program without being required to retake the course.

INCOMPLETE (I) GRADES

The grade of "I" (incomplete) may be given when all requirements in a course have not been completed due to circumstances beyond the student's control, such as a major illness. An "I" may not be given in order for a student to improve a grade. Internship, practicum, professional development or field experience courses may not be assigned an incomplete grade without prior written approval from the dean of the school of the student's academic program. Incomplete grades are neutral and do not impact the GPA. Students with incomplete grades are considered enrolled in that course only for the term in which it is offered. These courses do not count toward full-time status in any other subsequent term.

Assigning an incomplete grade is at the discretion of the course instructor. The instructor may deny the student an incomplete grade if the student does not meet eligibility requirements. The academic dean over the course gives final approval and authorization for an incomplete grade. The responsibility for requesting an incomplete grade rests on the student, and arrangements should be made by the student with the instructor prior to the end of the course. A Request for Incomplete Grade form may be obtained on the faculty portal by the instructor and submitted by the instructor prior to the "I" being assigned. Incomplete grades assigned without prior approval will be recorded as an "F," and the instructor notified by the Office of the Registrar.

Course work to satisfy the "I" must be completed by the due date indicated on the request form, which may not exceed past the end of the subsequent traditional semester of enrollment in the course, and should not exceed the amount of time lost due to the extenuating circumstance. If work is not completed by the deadline stated on the Request for Incomplete form, the student's grade for the course will be changed to reflect the course work completed as indicated by the incomplete form. Requests for extensions must be made in writing to the dean of the academic program before the due date indicated on the request form.

Once the incomplete work is completed, instructors must file a Request for Change of Grade form (available on the faculty portal) to the Office of the Registrar for the grade to be changed.

An incomplete grade means that degree and graduation requirements have not yet been met. Therefore, students intending to graduate must resolve incomplete grades before the intended graduation date or their graduation will be delayed until the next available graduation date after the incomplete grade is resolved.

Eligibility Requirements

To be eligible for an incomplete grade, the following requirements must be met:

- At least 51% of the course work has been completed
- The student's current grade for all completed work to the point of the incomplete grade request is not "F"
- The student has provided documentation to the instructor of extenuating circumstances, such as a major illness or a death in the family. Examples: doctor's note, funeral program, etc.

Note: The percentage of course work completed, and the current grade will be listed on the Request for Incomplete form by the instructor.

Special criteria can be applied for students that do not meet the requirements above are:

- the student has made special accommodations arranged through the Disability Services office (See Disability Services)
- the student is a member of the U.S. military and is called to active duty (See Military Leave of Absence Policy)

Note: Documentation of accommodation and military leave of absence approval must be provided to the instructor before the incomplete form can be submitted.

CONTINUING STUDIES

A grade of "CS" (continuing studies) may be issued due to circumstances beyond the student's control and is applied to courses or a project that requires more than one semester to complete and has been approved by the course instructor and the dean.

At the end of time stipulation for each course, a Request for Change of Grade form must be submitted by the instructor to the Office of the Registrar.

Extensions will follow the procedures for incomplete grades.

GRADE FORGIVENESS FOR REPEATED COURSES

The following rules apply when considering repeating a course after an unsuccessful attempt:

- Grade forgiveness means that after a student repeats a course with a passing grade, the original course grade that does not meet minimum grade standards will be forgiven and will not reflect in the cumulative GPA.
- A course with a forgiven grade will reflect on the transcript with an "R" notated to the right of the first unsuccessful attempt. The failed attempted course grade will be calculated in the term GPA, but not the cumulative GPA once the course has been successfully repeated and the grade forgiven.
- Grade forgiveness applies only to courses taken at SCU and repeated at SCU. Courses taken at other schools to replace an unsuccessful grade earned at SCU will not forgive the unsuccessful grade. The cumulative GPA will remain the same, but if the student passes the course at another school, the requirement for the academic program will be considered met.
- Only one unsuccessful attempt will be forgiven. If a student fails to meet minimum grade standards more than once, all failing grades, except the forgiven grade for the first unsuccessful attempt, will be averaged into the cumulative GPA once the student passes the course.
- Grade forgiveness does not apply to courses that are allowed to be repeated for credit (such as some music and activity courses, e.g. Chapel Band.)

ACADEMIC GRIEVANCE

In the event that an SCU student has an academic grievance other than academic probation or suspension or feels that some action of the University is not justified or constitutes an encroachment upon students' academic rights, the student may present the grievance according to the provisions of the student academic grievance process; e.g. any question of examinations, assessments or student outcomes, or requirements for satisfactory progress in a course, etc. The five-step grievance and appeal process is defined below. (For probation/suspension appeals, see Academic Probation/Suspension Appeals.)

Step 1: Direct Appeal to Instructor

The student will seek to resolve any academic problems by direct appeal to the instructor or person(s) involved, if feasible. (Appeals made after the end of the academic semester will not be heard until the beginning of the following semester. Faculty should not be contacted by the student during the summer months for the purpose of an appeal.)

Step 2: Appeal to Department Director

If a meeting with the department chair does not resolve the matter to the satisfaction of the student, the student shall be entitled to a hearing before the Academic Council.

Step 3: Appeal to Academic Council

The appeal should be addressed to the Department Chair in a written format. The Academic Council Chair will establish a mutually satisfactory date for hearing the appeal. (Final grade appeals must be filed with the Department Chair no later than 45 days after the grade is submitted to the registrar's office.) The 45-day appeal period also applies to students prevented from receiving final grade notification due to an outstanding financial account.

The Academic Council may hold informal or formal hearings as it deems necessary.

The burden of proving grievances shall be upon the aggrieved student, but the student may be entitled to witnesses if approved by the Academic Council Chair. The Academic Council Chair may dismiss any case where, in the Chair's judgment, the aggrieved student fails to make a Prima Facie case.

Step 4: Appeal to Chief Academic Officer

A final appeal may be made by submitting a written appeal to the Vice President of Academic Affairs. All decisions by the VPAA shall be final and binding upon all parties involved.

OFFICIAL SUMMONS

A student who neglects, or disregards, an official request for a conference with a faculty member or an administrative officer, including a request from the Financial Aid or Business Office, will be subject to disciplinary action. Such requests may be delivered in person, by telephone, by email through the SCU issued email account, by campus mail, by cell phone text to student verified cell phone number, or by U.S. Postal Service. If a student neglects, disregards, or refuses an official summons for a conference with a faculty member or an administrative officer, the student's appeal will be considered closed.

ASSIGNMENT TIME LIMITS

Final assignments such as final research papers must be submitted to the professor as established in the course syllabus. Final assignments due after that last day the course meets may not be submitted after the date due.

In extenuating circumstances, such as family bereavement, a student may request a different due date from the instructor. If this date is set beyond the final due date for the course, the student must request an

incomplete for the course. Before making this request, the student should review the guidelines for an incomplete grade to ensure all minimum qualifications are met. If a student has received an extension, a request for incomplete grade will be submitted to the Office of the Registrar for approval from the Academic Dean. Course work not submitted by the agreed date in the extension period (which cannot exceed 6 weeks) receives a failing grade. The student's final grade reflects the grade earned through all course work received by the instructor by the end of the extension period.

Each course syllabus contains submission due dates for assignments and requirements for the class. Students unable to complete any or all class assignments by the due date must request an extension and/or incomplete grade of the instructor.

DIRECTED STUDIES

Directed study courses are only offered in the event that a course does not make its minimum enrollment standard. Directed study courses are not offered due to a student neglecting to enroll in a required course at the time it is offered nor failing a required course. In such circumstances, the student must wait for next course offering.

GRADUATION REQUIREMENTS

1. Complete the Graduation Application online (www.swcu.edu/graduation-application).
2. Complete all degree, program and course requirements for the declared program of study. All official documentation indicating the completion of program requirements, including but not limited to transfer transcripts, substitution/policy exception forms, portfolio review, must be received on or before the graduation date or graduation will be delayed until the next available date. SCU does not confer degrees retroactively.
3. Have a minimum cumulative GPA of 3.00.
4. Earn a minimum of 3.0 in each course with the exception of only one course earning 2.0.
5. All contracts and financial obligations to the University must be fulfilled including payment of the graduation fee.

APPLICATION FOR GRADUATION

Degrees are conferred three times annually: on the date of Commencement exercises in May, on August 1, and on December 30. Students who have reached 90 credit hours and plan to complete degree requirements at SCU must file a "Graduation Application" form by the deadlines established and published on the SCU website. All information pertaining to the graduation application can be found on the SCU website.

No student will be placed on the prospective graduation list until the graduation application has been completed and filed with the registrar's office.

PARTICIPATION IN COMMENCEMENT

Commencement at SCU is held one time per year at the end of the traditional student academic calendar, typically in May. Participation in Commencement is expected. However, to participate in Commencement, students anticipating graduation must submit a graduation application (see Application for Graduation).

All degree requirements are expected to be completed by the Commencement date for the student to be permitted participation. This means the student has completed, or will complete by the Commencement date, all courses listed in the academic program with the appropriate minimum grades and grade point averages (see Graduation Requirements). Students lacking no more than 6 credit hours (including transfer credits and prior learning credits) must submit the "August Graduate Commencement Participation Request" form found on the SCU website to the Office of the Registrar in addition to the Graduation Application to be considered for an exception to participate in the upcoming spring Commencement ceremony. The form must include a detailed plan for completing degree requirements by August 1.

Any concurrent or post-SCU transfer credits will be considered "not completed" by the Office of the Registrar until the official transcript is received by the Office of the Registrar.

Once a student is cleared to participate in Commencement, regalia will be ordered by the Office of the Registrar. To receive regalia, all financial obligations must be resolved, and financial aid exit counseling must be completed.

Students are ineligible to participate in Commencement if financial obligations to the University are not resolved even if they were initially cleared to participate.
