## **CREATIVE ARTS DEPARTMENT**

The Creative Arts Department offers scholarships to deserving students who participate in Creative Arts teams, based on musical, technical, or artistic talent and renewable for up to four years. Receiving a Creative Arts scholarship does not prevent a student from accepting other financial aid from the University.

### **ELIGIBILITY:**

High school seniors, college transfer students and current Southwestern Christian University students who are enrolled in music, technical or creative art teams sponsored by the school are eligible to apply. If the student fails to participate, or drops the ensemble or team, the scholarship will be adjusted.

### **AWARDS:**

Scholarships in various amounts are awarded by the department on the basis of talent, artistic contribution to the university, and recommendations from previous teachers.

### **CREDENTIALS:**

Applicants must have a completed Scholarship Application form on file in the Creative Arts Department and a renewal form must be completed annually. Students must verify acceptance of the award by May 15, or risk losing the scholarship.

### **AUDITIONS:**

For music talent awards, candidates will perform for a Creative Arts Department Auditioning Committee. Auditions include solo performance of one or more compositions on the major instrument or dance form, or submission of video, graphic or artistic work. If a candidate lives a great distance from campus, the candidate may submit a digital recording in MP4 format.

  - *Institutional scholarships will be applied in order of the scholarship hierarchy which can be found at [www.swcu.edu](http://www.swcu.edu).*
